

### Day 18/19 – 28/29 December 2015 (680km - 7 hours)

#### Sussusvlei to Lüderitz

Long drive to Lüderitz for the day, but one realize the trip is now almost over. Must admit, we had one reason for visiting this little diamond town.... Beside that it was just too far to drive all the way back to SA.

This Ghost Town is a must, the tour was eye opening... the stories of the German's managing this treasure is still unbelievable for me, these are but a few pictures we took.

Day 20 – 30 December 2015 (560km - 6 hours) Lüderitz to Springbok

Day 21 – 31 December 2015 (1198km - 13 hours) Springbok to Centurion
